An Open Letter to our Residents - Brookfield Town Park Beach Update

The Town Park Beach is now scheduled to open on Saturday July 4, 2015. We are looking forward to unveiling the Town's beautiful new facility.

Already a 2015 beach pass holder?

Folks who have already purchased their beach pass for the 2015 season will be offered a credit to put toward any program we offer or toward beach passes in 2016. If you'd prefer to receive a refund in your original form of payment, please call our office and we'd be happy to make that happen for you.

Type of pass:	Original Price:	New Purchase Price (as of 6/24):	Credit Due:
Family beach Pass	\$75.00	\$60.00	\$15.00
Individual beach pass	\$50.00	\$40.00	\$10.00
Senior family beach Pass	\$62.00	\$49.60	\$12.40
Senior couple beach pass	\$45.00	\$36.00	\$9.00
Senior Individual beach pass	\$36.00	\$28.80	\$7.20

Haven't purchased your beach pass yet?

Please see above for the new rates for the season. We will need a few days to adjust our registration system. Beach pass sales will resume on Wednesday, June 24.

What to expect when we open?

Aside from the same beautiful views of Candlewood Lake, the park is essentially unrecognizable. The sand beach area is about three times larger now than this time last year. The finishing touches are underway on the new building which features: a family changing area, men's and women's restrooms/changing areas, concession and common room where one can take a break from the sun.

For the first few weeks as grass is establishing throughout the park, foot traffic will be limited primarily to the building and the beach areas. The other areas of the park including the playground/swings, volleyball court, and picnic areas will be opened in stages as finish work is completed.

What's happening with the Brookfield Muskrats Swim Team and Swim Lessons?

The Brookfield Muskrats Swim Team will begin practice on Monday, June 22 as scheduled. We will be using an off-site facility through July 2. Swim lessons that were to begin on June 29 will now begin one week later on Monday, July 6 and credits will be offered to anyone currently registered. Swimming lesson sessions scheduled to begin on July 13 and July 27 will remain unchanged.
